Physical Description:	4.18 Linear feet 20 archive boxes. The collection contains slides and CDs
Language of the Material:	English
Abstract:	The slides were compiled by the Office of Campus Advancement and were used for presentations, media communications and for publications in print and online. Included are images from photo shoot sessions of students, staff and faculty on the original WSU Vancouver campus located at Clark College's Bauer Hall. The slides cover the Salmon Creek ground breaking ceremony, construction on the Salmon Creek site, Governor Gary Locke's visit to the campus, graduation ceremonies, classroom and outdoor scenes and other campus events. The collection is a part of the WSUV.2013.003 accession.

Biographical/Historical note

The Office of Campus Advancement was a precursor to WSU Vancouver's Office of Marketing and Communications and the Office of Development and Alumni Relations. Campus Advancement originally oversaw campus fundraising, events planning, internal and external communications and a host of other activities conducted by Marketing and Communications and Development and Alumni Relations. The office split at the beginning of the 2006-2007 school year.

Scope and Contents

The coverage of dates expands from WSU Vancouver's first official year as a university in 1989 and continues through commencement ceremonies in 2006. The slides continued as a medium for the Office of Campus Advancement until 2003 when staff began to exclusively use digital formats.
